Administrator Pruitt,

The purpose of this email is to request the transmittal to OMB of the FY 2016 Great Lakes Restoration Initiative Progress Report to Congress and the President. We have incorporated previous edits by EPA Headquarters.

EPA is required by the 2010 Appropriations Conference Report, 111-316, to submit a report pertaining to the Great Lakes Restoration Initiative to Congress and the President on behalf of the Great Lakes Interagency Task Force. The Conference Report directs EPA to provide detailed yearly GLRI program accomplishments and compare specific funding levels allocated for participating federal agencies from fiscal year to fiscal year. A brief memo from me as Acting Great Lakes National Program Manager is also attached which provides an overview of the Great Lakes Restoration Initiative (GLRI) progress and accomplishments through Fiscal Year 2016.
